Government Funding and Fees at Small World Nursery

Funding can be taken over any of our sessions and covers a maximum of 15/30 hours per week for 38 weeks per year or a maximum of 570/1140 hours per financial year. The funding can be stretched across the whole year and this equates to 11.5 hours over 50 weeks if eligible for 15 hours funding or 23 hours per week if eligible for 30 hours.

All fully funded sessions incur a small charge – see additional charges below

Term Time Only or Stretched Funding

	15 hours	30 hours
Term time Only (38 weeks)	15 hours per week	30 hours per week
Stretched Funding (50 weeks)	11.5 hours per week across 50 weeks	23 hours per week across 50 weeks

2 Year Old Funding

The funding entitlement for 2 year olds is limited to families who meet the eligibility criteria.

To apply for two year old funding, please visit www.leicestershire.gov.uk/apply-for-2s

15 Hours Universal Funding for 3 & 4 year olds

You do not need to register with the government if you are only accessing the universally available 15 hours (11.5 when stretched).

Extended Entitlement (30 Hours)

The Parent/Carer applies via a HMRC portal called Childcare Choices at childcarechoices.gov.uk. You will need to create a government gateway account if you don't have one. HMRC childcare choices provides you with a ID code to determine your eligibility. You give Small World Nursery this 11 digit code plus your national insurance number and your written consent via our Parent Funding Agreement for us to check these. We have to verify this code in order to release the additional funding. Parents must reconfirm their eligibility every 3 months when prompted by text and/or email. There is a short grace period if you become ineligible. It is important that you apply the term before your child turns 3- if you do not have your code in time for the first eligible term you will need to wait for the following term. Any problems setting up then please ring Childcare Service Customer Interaction Centre on 0300 123 4097. For more information go to www.childcarechoices.gov.uk

Additional Charges

The Department for Education issued guidance in December 2016 stating that the Early Years Funding is intended to cover the cost to deliver 15 or 30 hours of free, high quality, flexible childcare. It DOES NOT cover: consumables & materials, Eylog app, our tablets for photos, videos and daily diaries, maintenance of our nursery, admin – (hugely increased by the way funding is handled). With the impact of covid, the living Wage rates, food and general running costs for the Early Years Sector many settings will now have to charge parents for Additional services not covered by the Early Years Funding.

From April 2022, we shall be charging for additional services for all **newly** funded children which will part cover the cost of all consumables. This charge will also cover the cost of your child's Learning Journey, baking, messy play, craft supplies, personal care and consumables. It will also cover the cost of other groups or outside agencies we have come into the nursery and our various events/parties throughout the year.

From September 2022, we shall be charging this additional services for **ALL** funded children

We appreciate that this is an additional cost to you, and we have kept this cost to a minimum and we do very much thank you for your cooperation. This helps towards us being able to give your child the best quality experience they can have whilst they are with us. Should you have a cause for concern in relation to making this extra payment, please do speak to a member of the management team.

Consumables will be charged at 50p per hour of funding therefore if your child accesses 30 hours funding it will be a charge of £15.00 per week. If your child accesses 15 hours funding it will be a charge of £7.50 per week.

Meals

Any children taking up a funded place have the option to have their child's meals provided by the nursery for an additional charge or bring their own food from home. We are not be able to warm up or cook this food. These charges will be detailed on your invoice.

Nursery Meal Charges are:

Breakfast (provided during the 8-9am session)	Lunch (provided during the 12-1pm session)	Tea (Provided during the 4-5pm session)	Snack - available throughout the morning or afternoon session
£2.00	£2.75	£2.00	50p

Additional Hours above funded entitlement

Any additional hours attended outside of the funded entitlement, will be charged in full at our private sessional rate or hourly rate if going across part of a session. These will be detailed on your invoice.
