PE Kits

We would like to thank all of those parents that have brought in a PE kit for your child. The children are getting very good at undressing and dressing themselves which is a great skill to learn before going to school.

If you haven't brought one in already, it isn't too late. Please bring it in as soon as possible making sure that it has your child's name in it.

Course

Unfortunately due to low numbers this course will not be going ahead.

Don't forget to share photos of your child and your family outside of the nursery and send them in via Eylog.

Ever changing weather

Please can we remind you that your child needs to be suitably dressed for all weathers.

This includes:

- Wellies & Coat for the rain
- Jumper, Coat, Hat, Scarf and gloves for the cold weather
- Sun hat and sun cream for the warm weather

Small World Nursery are going to be running a holiday club for 3-7yr olds during **ALL** the school holidays!!!!

We are hoping to expand our club for 8-11 yr olds also but are awaiting confirmation about dates.

We will be updating our facebook page and website with further details.

The nursery is a '**Mobile Free**' zone!!!!!!

Due to safeguarding reasons, We kindly ask that you refrain from using/answering your phone whilst in the nursery and if you are on the phone when you ring the nursery bell you will be asked to wait outside the door until you have finished your call.

Nursery door

It has been noted on several occasions that parents have been letting other people into the nursery. For security reasons, please **DO NOT** open the door for other people **EVEN IF THEY HAVE CHILDREN WITH THEM.**

Headlice

We have had some cases of Head Lice reported in the nursery, please could we ask that you check your children's hair regularly and treat them as needed to reduce the risk of this spreading.
